

TECHNICAL DATA

Non-Skid Flooring Aggregates

Aggregates for Epirez Anti-Slip Flooring

Description

Non-Skid Flooring Aggregates are inert granules and sands that are used with the **Supatuff** range of products for anti-skid protection. These anti-skid coatings are excellent for ramps, loading docks, walkways, stairs, where non-skid finish is desired.

How to use

Prepare the surface as described in the relevant **Supatuff** technical data sheet. Mix the **Supatuff** according to the directions. Spread it uniformly with a brush, roller or airless spray. Sprinkle the aggregate over the surface. Brush away excess granules the following day after the **Supatuff** has cured. Apply a second coat of **Supatuff**, once the first coat has set, to produce a stronger smooth finish.

AGGREGATE	PARTICLE SIZE RANGE
Epoxy Anti-Slip Flooring Aggregate (Sil-Carb)	1.0 mm to 1.1 mm
Patching & Flooring Mortar Aggregate (QA2)	0.3 mm to 0.4 mm
Epoxy Mortar Aggregate Extender (QA3)	0.3 mm to 0.5 mm

Storage and Shelf life

Store in dry conditions .

Packaging

Epoxy Anti-Slip Flooring Aggregate is available in 5 kg packs

Patching & Flooring Mortar Aggregate is available in 4 litre and 16 litre packs

Epoxy Mortar Aggregate Extender is available in 16 litre packs

The information contained in this Technical Bulletin is as up to date and correct as possible as at the time of issue. The data provided should be used as a guide only as the performance of the product will vary depending on differing operating conditions and application methods.

The sale of any product described in this Technical Bulletin will be in accordance with ITW Polymers & Fluids Conditions Of Sale, a copy of which is available on request. To the extent permitted by law, ITW Polymers & Fluids excludes all other warranties in relation to this product.

Ordering Information:

Epoxy Anti-Slip Flooring Aggregate 5 kg	# 992712
Patching & Flooring Mortar Aggregate 4 litre	# 992405
Patching & Flooring Mortar Aggregate 16 litre	# 992402
Epoxy Mortar Aggregate Extender 16 litre	# 992409

TDG Code: Not Classified

Health & Safety Information

The product is hazardous. A Material Safety Data Sheet is available from the ITW Polymers & Fluids Technical Department upon request or available on our website www.epirez.com.au.
