

TECHNICAL DATA

Colourpack

Colours for Epirez Flooring and Supatuff Ranges

Description

Colourpacks are Reactive Pigment Pastes for incorporation into **Epirez** Flooring and **Supatuff** Coating Systems. They are available in a range of practical but attractive colours that will satisfy most aesthetic needs.

How to use

Simply add **complete** contents of **Colourpack** container to Neutral Base Compound of either **Epirez Flooring** or **Supatuff**. Mix thoroughly with low speed power stirrer until uniform colour is achieved. Do not add more than one container of colour pack per kit of **Epoxy Self Levelling Flooring** or **Supatuff**, as **Colourpacks** are based on reactive pastes.

Storage and Shelf life

Store in dry conditions between 10°C and 30°C, away from sources of heat and naked flames. Protect from frost. When stored in original sealed containers the minimum pot life is 2 years.

Packaging

Colourpacks are available in 1 kg packs

Ordering Information:

Grey (GY1)	1 kg	#991077	Safety Yellow (YW9)	1 kg	#991086
Grey (GY6)	1 kg	#991080	Yellow (YW5)	1 kg	#991088
Blue (BE14)	1 kg	#991046	Red (RD1)	1 kg	#991092
Blue (BE1)	1 kg	#991072	Black (BK1)	1 kg	#991097
Green (GN1)	1 kg	#991075	Beige (BG13)	1 kg	#991163
White (WE1)	1 kg	#991084			

The information contained in this Technical Bulletin is as up to date and correct as possible as at the time of issue. The data provided should be used as a guide only as the performance of the product will vary depending on differing operating conditions and application methods.

The sale of any product described in this Technical Bulletin will be in accordance with ITW Polymers & Fluids Conditions Of Sale, a copy of which is available on request. To the extent permitted by law, ITW Polymers & Fluids excludes all other warranties in relation to this product.

Note

It is important to appreciate that whilst every care is taken to reproduce colours as closely as possible, **Colourpacks** of different batch numbers should not be combined. Likewise, some variation in shade might be experienced when the same **Colourpack** colour is used in different **Epirez** products, such as **Epoxy Self Levelling Flooring** or **Supatuff** due to different solids contents, filler loadings and gloss levels.

Safety precautions

Follow normal coating precautions. Keep away from fire or naked flame. Keep contents away from children. If swallowed, call a Doctor or Poisons Information Centre. When mixing or using, avoid skin contact or breathing of vapours. If splashed on skin, wash with soapy water.

TDG Code: Not Classified

Health & Safety Information

The product is hazardous. A Material Safety Data Sheet is available from the ITW Polymers & Fluids Technical Department upon request or available on our website www.epirez.com.au.
